# Select 5 screens

 <p>The image shows a login screen with a light gray background. At the top, the text 'Log in' is displayed in a large, bold, black font. Below this, there are two input fields. The first is labeled 'Username or email address' and contains the text '@gmail.com'. The second is labeled 'Password' and contains a series of dots. Below the password field is a blue button with the text 'Log In' in white. At the bottom, there are two links: 'Forgot your password?' and 'Don't have an account yet? Sign up'.</p>	<p><b>LOGIN SCREEN</b></p> <ol style="list-style-type: none"><li><b>1.User enters Email</b></li><li><b>2. User enters password</b></li><li><b>3.Login button</b></li><li><b>4.Youtube music logo on top</b></li><li><b>5. Implement Firebase</b></li></ol>
